The Premises:

Nice detached house with discreet entrance in very nice area. Very safe. Easy on street parking.

The Lady:

Gorgeous lady, beautiful eyes, early 30's, long blonde hair, slim but curvy, would say approx 34 DD/E in the breast department. 5' 6" tall, but much taller in her heels.

The Story:

Sam met me at the door wearing a flimsy nightie, with an even flimsier negligee underneath, no knickers and a beautiful smile. As soon as I saw her, I wished I had booked for an hour - next time for sure! Got the money out of the way, and Sam was back almost immediately, gave me a long passionate kiss, removed her nightie, and started undressing me. Straight away she dropped to her knees to give me OWO, using her tongue stud to great effect! After a few minutes of this, she pushed me back on to the bed, lay on top of me so we could engage in more passionate kissing and to give me a chance to explore her beautiful body. I had a good suck on her gorgeous boobs, before moving down below to discover a smooth shaven haven with a clit ring. Sam has a very sensitive clit, so you do have to be very careful not to rub it too hard. She adores having a couple of fingers up her pussy while having her clit licked, and gets extremely noisy during this - hence the need for her having to move to a detached house! From here we moved into 69 so we could both get a good taste of each other - Sam tastes just great by the way! On with the cover, and Sam mounted me and rode me vigorously. Sensing I was close to coming, I sat up, flipped Sam over on to her back, and thrust into her in mish, before exploding deep inside her. We lay there for a while before withdrawing, kissing and cuddling some more. Sam then cleaned me up, and we lay on the bed, chatting, kissing and cuddling, before I noticed we had gone over the time! We both agreed before leaving that I should book for an hour next time (and there certainly will be a next time!), and we lingered at the door, kissing and cuddling, before I reluctantly left.

I understand Sam has only recently moved to this address from Coventry. All I can say that Coventry's loss is definitely Sutton's gain!

Sam is a beautiful, sexy, lovely lady and if you treat her well, you will have a fantastic time with her. Sam, you are an absolute star!
