The Premises:

Discreet flat - half way between Covent Garden and Leicester Square. Inside its clean and fit for purpose.

The Lady:

I've actually met Sonia before at a different establishment under a different name.

Facially nice looking, petite, mid 20s, long haired Indian girl with a great natural pair.

The Story:

Although I was expecting to punt with a new girl it was a pleasant surprise to find out I'd seen Sonia before as I always enjoyed my punts with her previously. This was no different.

She was at my request dressed in an Indian outfit, started with a decent massage before I started licking and sucking her amazing tits to my heart's content. Moved onto covered oral and found myself in foot fetish mode so she positioned herself so I could suck on her toes (for foot fetishists amongst you she has nice dainty feet!!!) whilst she delivered a nice blow job. Moved on to a spot of missionary and cowgirl when the dreaded knock on the door arrived. Not to worry - finished off with a nice oily hand job.

Overall a pleasant good looking girl who delivers a good service (though she does not do french kissing, owo or reverse oral) but even within those limitations it was an enjoyable experience.
