The Premises:

City Girls is situated in Central Milton Keynes behind Staples. As usual the flat is very smart and clean.

The Lady:

Aged in her late 30's, good looking blonde, very attractive shapely figure, long legs.

The Story:

If you imagine a social function like a wedding reception or party, and you see a gorgeous long legged blonde, who all the men are ogling, that's the type of girl Charlize is. I chose her from the web-site, and was very pleased when I saw her in the flesh so to speak. We started with a nice kiss and cuddle and then we got down to business. O.W.O. was very nice, and I have to say this lady looked after me very well, never rushing and always oohing and aahing throughout, just enough to make me feel it wasn't phoney. Even as I write this report I am still happy to have been with such a beauty. Cheers Charlize see you soon.
