The Premises:

The best place in Manchester. Immaculate. Erin is always very friendly and helpful. Normally great value at ?60.

The Lady:

Brunette with long hair (maybe extensions?), short at 5' 2", size 10, generally an accurate description on the website. 20 ish I would say is about right. Not unattractive.

However, whilst I don't intend to go in to detail, there were physical aspects which made me, how can I say, uncomfortable.

The Story:

This was the kind of experience that made me wonder why I do this. I'm finding it hard to put in to words as she was pleasant enough but I just felt cold and to be honest, as though I shouldn't have been there. (Some may say 'well you shouldn't!')

Having said that, have had some great times at Cheshire Incalls, Charlotte, Michelle and Steph being good examples.

Have answered No to the 'recommended' and 'would you return' questions but these apply to Jennifer only and certainly not CI. Will probably see Bonnie next.
