The Story:

Sonia is a beautiful girl with lovely ruby red lips. I came into her lovely mouth. Next she climbed on top of me and as she was grinding away on my cock she displayed her pearly white teeth, so i guess she was enjoying it. Then I fucked her doggy as she caressed my balls, while simultaneously watching herself in the mirror. To finish I lay her on her back. She played with my nipples. This drove me crazy & i fucked her furiously till i emptied my load for the second time.
