The Premises:

Nice top-floor flat in the Marlebone area.

The Lady:

Better looking than her website photos (she was getting new photos earlier that day). Dark haired, slender body, petite breasts, innocent looking face, nice pubic landing strip.

The Story:

She opened a bottle of wine (hers) before we sorted out the money. Followed by lovely French kissing, close dancing and slow undressing.

On to the bed where I started by giving her oral - I just loved how she appreciated my efforts. She returned the favor with interest.

I was only planning to stay 1 hour but I liked Sofia so much that I paid for another hour then. She gave me another BBBJ followed by cowgirl and then mish. After it was over Sofia gave me a nice back and bum massage.

This is one amazing girl. I truly did not want to leave. I'll save up to take her out for an evening of dancing next time.
