The Premises:

Pretty low budget wg flat but was ok for the task at hand.

The Lady:

Looks just like photo's she's quite tall with enhanced boobs but still has the girl next door look, she said she's from russia, she seemed like a country girl rather than a city girl.

The Story:

I went there looking for a wham bam thank you maam after my dissapointing punt earlier, this girl is a mean fucking machine the only downside was oral with, i would hav prefered without but the sex was great loads of positions and she was really keen to experiment. would wholly recommend on basis of the sex. u wont get much conversation here. would nto return thoug s i hav loads of wg's to visit.
