The Lady:

Her face, without make-up, is pale. But, she has very sexy, athletic body. Enhanced boobs, perky arse.

The Story:

Although, she has a sexy figure, she is not very warm. Ok, she doesn't speak english, but she can be more "hospitable". She doesn't like to kiss & to be touched her hair. She is a lit bit distant and too professional. Unfortunately, not at all a GFE.

But, she has very soft skin, charming smile, super body. So, if someone wants to have mechanical sex with a model, it is ok. But for me (I prefer making love & taste RGFE) I will think it twice for a second chance.
