The Premises:

Brooklyn's is a small place but very clean and easy to find. Not a lot of car parking available nearby so parked in the supermarket car park 50 yards away. I felt more than safe and there are two entrances, one to the front but I used the discreet "Tradesman's" entrance!!

The Lady:

Eve is one of the most stunning looking ladies I've seen. She is about 5'6" tall, long blonde hair, piercing blue eyes with boobs to die for. She has an all-over tan and a great arse. She was completely shaved (Just the way I like them) and VERY horny!!

The Story:

This is the first time I have ever left a report but I felt the need to do this as Eve is a one-off when it comes to working girls. I have seen her three times now and it always seems to get better time after time. She loves kissing which I adore, she never charges me for OWO and always fucks me like no other girl. I can only say to all you perspective punter sthat you HAVE to go to see Eve. You will be 100% satisfied and will leave there after shooting you load the happiest guy walking this earth. I will only go back to see Eve now coz she is AMAZING !!!
