### The Premises:

The Georgian Usual - reasonably clean & tidy

As usual COLD SHOWERS

It was busy & had the choice of load of girls

I class the goergian as the place to go if the others are shut - there are a few girls that are good & worth going there for - I will now have to review my ideas.

### The Lady:

Blonde, Polish Girl with Excellent English

5ft 6in about, reasonably slim & shaven, Nice handfull Boobs & a firm ass.

Not very responsive & didnt want to cuddle.

### The Story:

Basically - I made the mistake of choosing a girl that looked the business - but wasnt.

Although the smoking ban was in place - the usual stupid delay in entering the room - a good ten mins. Despite the fact the owner of the place was on duty.

What happened was a mediocre masage of my back (no bum or balls)

Then into covered oral - not much eye contact or use of tongue.

Not interested in me touching her - ANY WHERE!

She only wanted to have sex in Mish & this was "awkward" with her locking her body into a pose that made any thrusting restricted.

Although I tried to carress her clit - didnt want to play or for that matter her nipples.

Dont get me wrong a very pleasant lady - but shouldnt be antwhere near a parlour.

The owner of the place was phoned after the event & said I should have spoken at the time - I doubt if she would have offered to have a another go - but Angelina should be spoken to.

In te conversation she was very critical of the UK - "expensive", this is wrong & that is wrong etc. GO BACK TO POLAND.
