The Lady:

Nice 24yr old, pleasant in looks & manner. Medium-small with slim body size. a true PB girl next door type (as if u r that lucky). Her photos depicts her quite well, both in looks & character. If she told me she's 21, I would have no problem accepting it.

The Story:

There's something about Tazmin (not Mary, hehe) that can be summed up with 3 words: demure, sensual & alluring; She's not de loud type, which would be a bit much 4 me. Felt relaxed with her, good conversations

After a quick drink & chat, she soon warm up. We tried out most of de gfe things, As I treated her very well thru out, she was opened to a few other tame requests of mine, & participated in them all +vely.

Whilst I'm sure we both enjoyed our time together, I was not sure when or how many times she cummed, as she's de quiet type. It would indeed be a worthy challenge to see if one can make her moan or cry out loud! lol.

There are GFEs & GFEs, hers is def 1 of the best I've had. I felt so relaxed talking to her. Some may say she's worth every penny just chating, but how can anyone keep one's hands off her! Indeed one would be real lucky to have her as a GF. A real gem, may be she should rename herself Gemma Tazmin! hehe
