The Story:

Originally intended to have a cheap Devotions punt, by coincidence parked right outside Blue Ice to call them. Turned out Devotions web site is wrong and they now don't operate in the city centre, only Bearwood. This was the wrong direction for me - lucky escape as other reports make it sound like a right dump.

Anyway, called up Blue Ice and was pleasantly surprised to find two ladies available straight away. Tegan - small, white and very petite and Cindy - Tall full figured West Indian.

Did the cash thing and was offered OWO, A, reverse O. Settled for OWO for an extra ?10. Reasonable massage and found Cindy was quite personable and easy to chat to, with a good sense of humour. I turned over and OWO was delivered by her kneeling between my legs - the standard pose where you can't touch anything - bad sign usually.

However, this was the only bad sign. She moved up my body and I sat up to fondle her all over, especially those terrific big tits and firm bum. Although Cindy has a full figure she in in no way fat, BTW.

We started with cowgirl, then I suggested doing her from behind - she sounded genuinely pleased and said it was her favourite position. Very soon thereafter I was standing at the foot of the bed, banging away at her terrific rear, helped on with the view in the famous Blue Ice mirrors! She asked me to spank her and naturally I obliged, and we banged away at each other with the occasional spank for what for me was a very long time indeed! Don't know how long it actually was, but a fantastic experience! "Do whatever you want" she said and I could only reply "I AM doing exactly what I want!". Don't know if that was an invitation for A or not, but not really my sort of thing anyway.

I was fairly knackered by this point and losing stiffness as a result, so after an attempt at mish, I finished by shooting a large amount of spunk all over her tits. Interesting colour contrast, one of the things I enjoy about black girls!

All in all the dirtiest punt I have had in years, Cindy is a great girl and also a pleasure just to be with and talk to as well.

I don't usually do this as I am a tight git, but I was sufficiently impressed to add a ?10 tip to the price for the excellence of the service! See you soon, Cindy!
