The Premises:

Clean place and discrete. Parking is free after 5pm and there is a back door entrance for complete discreteness. Safe Area.

The Lady:

Very sexy person with intelligence. Tall and leggy with large busts and extremely charming face with a naughty smile. Blond hair up to shoulders.

The Story:

Was introduced into the room which is currently hired from intimate massage and will be leaving the area shortly to her own place.

Started with a sensual and extremely good massage followed by some fun. She aroused me very quickly through some intimate touches and strokes. This was followed up by the protection coming on and then ongoing sensual and slow activities. It was fantastic and relaxing. Into some basic positions followed by an explosion.

Time soon caught up and leaving with an experience that I want more and will be back. She was good and very good company.
