The Premises:

Brooklyns parlour is one of the cleanest parlours in Crewe, with easy parking at rear.

The Lady:

Very athletic, quite pretty, long long legs. Blonde, and a kick boxer so beware lads. Firm body, strong Liverpool accent. Visited her during her last stint at Brooklyns

The Story:

Started with the usual tit massage, cause tits were so firm it felt great. Every thing else after this was rather disappointing. Kirsty came across as very business like which I didnt like(almost cold). She even made time to comment about the posh car she had in car park.
