The Story:

Tara was one of the first ladies I met when I first started punting some years ago and that was the best first time encounter I've ever had with an escort, and despite a few rebookings we had never managed to get together again. Anyway we managed to get a convenient time for the both of us to get re-aquainted. We had a long chat to catch up on both our lives, Tara is a very intelligent interesting lady and certainly not short of a word or ten lol. After our catch up it was down to the meeting, Tara has a wonderful body, stunning boobs and bum and the service is best described as gentle yet raunchy, her BJ is just amazing, highly erotic, and even at my age she taught me a few tricks on how to please a woman, it was wonderful to see a beautiful lady coming so hard and so real, no faking here, a proper GFE.

If you like your ladies to be a proper sexy mature and wonderful and intelligent experience then Tara has to be one of the best in the country.
