The Lady:

4 girls , Diane, Janca, Victoria & Rafiela partying. As advertised, there pictures are on the site. However, they do not do them justice and cannot capture their personalities. For once, I went somewhere where the girl exceeded expectations.

The Story:

Although I have seen girls individually for some time, with mixed results, I have never tried a party. Selected this one on the basis of reports, hence my posting one.

From the start, the welcome from the host and all the girls was warm and felt genuine. Between bouts in the bedroom, the atmosphere in the front room was friendly, entertaining and enjoyable. About 8 other men, professional types.

The action in the bedroom was uninhibited with the girls taking the lead. I used the word genuine earlier and I use it again because nothing felt forced or false. The girls were fun, lively and very sexy.

The afternoon was a very enjoyable experience and one I could get addicted to. After this experience, I cannot see any reason to go one on one with a girl when I can have so much fun with 4 of them for a lower price.
