The Story:

Cleared my desk early and decided to pay my fav place in stoke a visit, initially wanted to see my favourite peaches but was told she had an appointment, then i thought vikki, but she was busy was told melissa was available, she came to say hi, i normally wouldnt go 4 her but she seemed chirpy enough and it was her first day so i thought what d hell, booked in and she came up soon after said she was nervous so i decided to let her give me a back rub so she could get comfy, chatted a bit, she's a good conversationalist (if you're after dat) turned me over and asked wat services i usually have, told her owo and so she proceeded to blow me, now this has to be the 2nd best blowjob in stoke after peaches and she blew me for quite a while, and then it was on wit d mac and she rode me till she started sweating so i got on top and then i flipped her over for sum doggy till i came and we were both sweating and panting like dogs.

Trully enjoyable and she seemed to get the hang of it, u really wouldnt know it was her first day unless she told u. Now im goin to hav a tough decision to make btw her and peaches i.e if she stays.
