The Premises:

Perfect location, secluded with no nosy neighbours but near offroad parking. Bedroom is off main part of the house, with own ensuite so felt very safe.

The Lady:

She looked good on herwebsite, but looks better in the flesh. Big in all the right places, long hair average height say size 12ish?

The Story:

Wow, just had a great half hour. Made me relaxed straight away, got the funds out the way then kissed as she undressed me and knelt down to suck me hard to life. Lay (or pushed) me onto the bed, then more owo and some 69 (her piercing worked well and tasted great!)...then asked me some really good questions - like how frantic do I want it and how many times do I want to come and where. Didn't think I could, but came twice, first time with her bouncing cowboy style as I pounded back up at her, then a rest and massage...and owo and cim to finish. She has a wicked sensuality, but had an innocence in her eyes as she sucked my cock (if those two go together!!) A truly lovely lady, definite GFE and I even left feeling guilty that I didn't have more time to return oral favours!
