The Premises:

On a main shopping street. Slightly run down inside but acceptable. A range of girls oriental and Eastern European. From previous visits I know you can be 'lucky' here

The Lady:

Brownish girl from Latvia; nose jewel; shapely with lovely round bottom and tits

The Story:

Very little English. I chose her from half a dozen girls because she smiled at me. Hugged sexily in the room while she stroked my penis. Lovely massage focusing on my penis. Not very good blow job but she had a sweet pussy and was happy to receive in return. Excellent sex in various positions.

The only downside was she kept offering extras and was rather pushy- ?10 for fingering my arse & ?10 for French kissing. I succumbed but the French kissing was perfunctory - less than a couple of minutes.

Overall a damn good fuck but her 'pushiness' over money spoiled it a little
