The Premises:

Clean. Nice location close to station. Felt safe. Modern and new deco.

The Lady:

Tall and slim with amazing curves. Measurements on site are spot on. Stunning Indian girl with very easy going attitude. Sexy black dress with mouth watering cleavage, stockings and high heels. Perfect. Much better in real than in pictures I have to say. The photos do not do her any justice. She is too beautiful.

The Story:

I don't usually post comments on girls I have seen although I read a lot, I have seen several hundred girls over the last seven years in many different countries but this has to be the finest experience I have had by a fair way. Amber quite simply took my breath away, she is so young and beautiful, I could hardly concentrate, she reduced me to a mumbling fool. She was quiet, gentle, sensual and a true blossoming lady. But above all beautiful, beautiful, beautiful.

I'm not sure what to do now.
