nice and clean,discreet entrance off the main road.Nice safe area.I felt totally at ease tho a lil nervous but that was because this was my first ever punt.

The Lady:

nice,friendly girl with a sexy physique,gorgeous eyes and a beautiful face.

The Story:

Made me feel as comfortable as possible.Especially when i told her this was my first time with an escort.I couldnt help being nervous.Anyway she gave me a nice sensual massage,started kissing,stroked me gently and since i was still nervous couldnt help myself.BAM!!!anyway she got me into the mood again after some light teasing and a little chat,proceeded to oral with followed by some nice sex with her on all fours.couldnt help myself again and came again.hey first time!!!she caressed and cuddled me a lil,we talked about life and couple of other things.Finally since my time was up I decided to head out after taking a shower.She gave me a nice goodbye kiss.Will definately return.
