Directors Lodge, an ok parlour. Not spectacular but certainly adequate.

The Lady:

Kelly?s beautifully toned and bronzed body has long legs, a very neat bottom and two lovely natural handfuls. Not a wrinkle, or suggestion of cellulite from top to toe. There?s always a gorgeous smile on her very pretty face, framed by tumbling auburn curls.

The Story:

I?ve visited Kelly several times and keep coming back for more. Though it?s less convenient for me now, as she?s only doing Sundays at the moment. GFE is my favourite thing and Kelly?s tender, caring approach makes her, IMHO, one of the best fantasy girlfriends anywhere and I don?t say this lightly. Sometime ago, Kelly was my first experience of a working girl and I couldn?t have made a better choice. Her seduction with snogs and cuddles and cheeky sense of humour can lead up to a sensual screw or a good hard shag, depending on how desperately worked up she?s got you. Or if you prefer, she?ll let you take the initiative and get her all worked up. Her pussy loves to be licked and she knows how to show her appreciation.

Kelly always makes sure that during our half hour together you feel that she?s happier being with you than any one else in the whole world ;) . No one could ask for more than that!
