The Lady:

WOWWW!! I wanted to see Jamie for a while after seeing her reports first as Leah at Sandy's and then as Jamie. ALL reports were positive about this lady and her pictures and description meant I had to see her. Jamie is quite tall about 5'9, slim and curvy with the most gorgeous tanned skin which is sooo smooth. Everything description wise is perfect about this girl. Her facial features are soo pretty with the most gorgeous kissable BJ lips and sexy smile, perfect enhanced breasts and without doubt her best asset is her..ASS! The girl has the most perfectly toned, firm, round ass that you only see now and then on models and dream about touching. She is the perfect lady you would see on a night out and not even attempt to chat to.

The Story:

Was lead into the back room which was very nicely decorated and told that Jamie would be through shortly. I sat on the bed nervously waiting for my treat not knowing whether it would live up to my expectation..oh boy it did! Jamie walked in after about 10 mins and i was gobsmacked. She is better in the flesh than any pictures and I was speechless. She asked me to undress which I did and lay on the bed. Jamie climbed on top, leant forward and kissed me with her tung working majic. She hten kissed and licked my nipples and down my body where she pulled my boxers down to unveil a semi hard cock. Jamie then kissed the inside of my thighs and then proceeded to work on my cok firstly by sucking my balls taking each one in her mouth and looking at me with delight and a cheeky smile. She then sucked and licked my cock and spat her saliva onto it as requested making me fully hard. I then tasted her nipples and had a good snog before asking her to bend over for the highlight of the day..THAT ASS! I licked Jamies ass which I could have done all day! I then climbed behind her and started pounding her against me which the most perfect bottom crashing back against me. It was soo horny! I then sttod on the edge of the bed for CIM. Jamie started to lick and suck whilst looking me in the eye and asking for my spunk. Eventually as my throbbing cock was in her juicy mouth I was thrown over the edge and unleashed and deposited a vast load of sticky cum inside her willing mouth as she just held me in there until I was finished. I left with a huge smile and def

return just for that ass if nothing else!
