The Premises:

As per previous FR. Exposed entrance on busy street in Covent Garden but fine once inside. The maid is old and unfriendly.

The Lady:

Jazz (aka Jasmine) is a late 20s/early 30s anglo-indian girl. Nice face and slim legs but looks as though she has had children (?) - hence stretched tummy and soft slightly saggy breasts.

The Story:

Nice face and friendly girl so a decent enough punt for a one-off. Have yet to find an A grade girl at this establishment though.
