The Story:

Went to Rubys to visit Sam but she was busy however she did receommend this lady. Decided on an hour, hadn't punted for ages. SHe came seem attractive and pleasant enough. However she went throught the motions with that far away look in her eyes. Reasonable covered blow job but there on in down hill. Could hardly string two words together and when round one was over she sat at the edge of the bed and looked out of the window. THe message was clear. I've had enough, you're getting nothing else and a refund is out of the question.

Ah well you live and learn - or not as the case maybe.
