The Premises:

OK block about 5 minutes walk from Gloucester Road tube station. On the top floor but at least the lift worked so didn't arrive breathing like a beached whale ! Nice smart flat inside, shares with another girl.

The Lady:

The pictures tell the truth as far as they go, but the true delight happens when all her clothes come off and her beautiful taut body is revealed ? and, most importantly, a bum to truly die for. Lovely, truly lovely.

The Story:

All the action (and there was a lot of action) was sensational, she exploded into orgasm with some exquisite reverse oral, and the highlight was her extremely energetic cowgirl that will long live in my memory.

And on top of all that, she speaks good English and is clever and interesting to talk to - this was one of the few times when I felt that 90 minutes was not enough time to fully enjoy an escort.

One of the very best - should be at the top of everyone's list of summer treats.
