The Premises:

Smart basement flat near Earls court tube, well reported. Pleasant and polite receptionist who likes her opera

The Lady:

Tall, tanned with a nice figure. Great legs, butt and breasts. Pleasant and smiles a lot which I like

The Story:

Louise came into the room wearing sexy suspender outfit. She listened carefully to what I wanted. I requested pain (Nipple and CBT), prostrate massage and then play with some of the larger toys.

Louise provided plenty of pain (-:-), she is great with the glove on (nice and strong, almost did the full fist) and pushed the boundries a bit with the toys (fine as I was on the poppers). She then engaged in some in-promptu 69 which was very good. Previous report doubted her oral technique, I can vouch for an A1 oral technique with no use of hands.

She finished me by coming on top cowgirl, with the decent toy still in situ. She is very athletic and does not tire easily. Was a great finish, she likes her clients to be satisfied. Will be back!!
