The Premises:

Easy to find difficult to park, entrance between busy cafes so not a discreet entrance. Clean top floor flat but basic, simply a double bed in the corner of a room!

The Lady:

In a word 'beautiful'. Long black hair, 5'8" gorgoeous body with superb legs and arse. Best feature a very cheeky smile! Latvian, 20ish and ok english.

The Story:

Violetta didn't offer me a drink upon arrival on a hot day but she did offer a gentle kiss on the lips. I declined taking a shower as i had already showered an hour earlier, we began kissing and i slowly peeled off her black lingerie to reveal a flawless body, a naval piercing but no tattoos to my relief (thank god after my last punt!).

Violetta is very willing but i wouldn't say she is a very energetic lover, she likes to take her time she suits a punter who knows what he wants. I ordered her to stand and lean against the chest of draws with her arse perched backwards and her legs slightly widened, this allowed full purchase from behind a position she said she hadn't tried before, i then ordered her to lay back on the edge of the bed so that i could obtain a harder thrust by standing on the floor while i poached her eggs. This was fantastic especially when i found myself pumping her in rythm to the new Rhianna CD she had put on!! It was kind of like bump and grind music which was perfect for this moment, i lifted her legs high in the air above my shoulders and leant forward for more gfe type kissing, this became all too much so i came to an almighty climax inside her filling the condom completely! A very memorable afternoon and punt...highly recommended!!
