The Story:

Jenny started out as one of the maids here and then decided that she ought to give sex another chance! That she very much enjoys what she does and ensures that both she and you enjoy her services is both certain and only what I would expect at Debbies. Diligent use of fingers and tongue in the course of a 69 and similar activity saw both reach climax. This is the third time I have seen Jenny since she started working and I know that it won't be the last!
