The Story:

Normally a parlour punt can be quite disappointing. This one however ranks as the BEST parlour session I've ever had in many years of punting and up with the best of any session.

Anna is mid twenties, slim, blonde with large breasts, somewhat droopy but that's fine by me. She has a very attractive face and when she looks at you you just want to melt.

After waiting about 10 minutes for Anna to finish with her client I went into the room and got comfy whilst she freshened up. She stripped to her nice red undies and gave me a fairly good massage, chatting all the time in a very friendly way.

After a while she had me turn over, took off her bra and gave me the menu. There was no choice for me - it had to be the works. Anna took off her panties and kissed me very passionately. After sampling her delicious breasts I had her swap places with me and I explored her body, Whilst doing so she was delivering superb OWO to my rock hard old man licking off my precum with relish. Anna opened her legs and I couldn't resist licking her out, wonderful! Up for most things Anna responded to my fingering, almost fisting her, with fingers in her pussy, one in her super tight bum and sucking on her clit Anna soon came to orgasm, bucking and moaning in pleasure.

Anna then had me on the couch and she put her vibrator up my bum, kissing me passionately multiple times, I could have stayed there forever.

Anna's oral technique is excellent, one of the best I've ever had, so good that I had to stop her several times or it would have been all over.

Time moved on and Anna said she wanted fucking hard from behind, rolling on a condom she climbed onto the couch and offered up her gorgeous arse for view. I plugged in, her pussy tight despite my having had most of my hand up it just a few minutes before, watching my cock sliding in and out of her delicious pussy was a wonderful sight and a couple of minutes later I exploded into the condom well and truly spent.

Would I return, you bet!
