The Premises:

Standard issue basement flat in large apartment, which she shares with two other working girls. Quiet street where no one knows or cares about passing strangers. Safe secure easy to find. Rather feeble and luke warm shower.

The Lady:

Its deffinatly her in the agencies photos, though she has put on a few pounds everywhere. Not unattractive, just a bit average. Same Camilla as the one at Angels of London.

The Story:

Camilla's a nice girl (intelligent and talkative, though I wasn't there for conversation) but she told me she's only doing this to pay her university fees, her heart's not in it.

Unfortunately a very average encounter. No enthusiasm, passion or imagination. Not the best Bj or sex. Only one pop.

Worst was the fact that I counted out eight twenty pound notes, told her it was ?160, she saw it was ?160, then later refused the ?10 change. I know it's only a minor issue but that is not how to treat customers.

She is a pleasant girl but she really is in the wrong proffesion.
