### The Premises:

First floor flat with a bathroom, clean and tidy which she shares with another girl. Couple of minutes walk from Marlebone Station, 10 minutes walk from Baker Street Tube. Felt safe.

### The Lady:

In her web page, u can't see her face, she is 19, yes she is, half Brazilian/half Spanish. Not a stunner but very sweet, fresh looks -large brown eyes, perfect skin and nice pair of tits with perfectly proportioned bum. She is not tall, may be 5' 5", but wow! Perfectly alright for me.

### The Story:

She dressed as per my request, welcomed me wid a sweet smile, very polite and friendly. She is new to this scene so I took the main role, no kiss only touching of lips but I didn't care. Started to lick her pussy wid my finger while she was sitting on my lap, having some red wine, then took her to the bed room and licked her pussy wid my tounge, she was enjoying, then her ass hole, fingered her pussy until she came loudly, tasted her cum, yum yum! short bj (wid cover), then fucked her in every position, oh god, I was in heaven, came inside her in cowgirl.

Short break, then I requested for a hand job and finished my session wid a shower in front of her. No dfk, no cim, no anal but I really enjoyed my time wid her,

Highly recommended, Looks 8/10, service 8/10 and appartment 9/10, total GEF.
