### The Premises:

A spacious and clean basement flat, a short walk from High St. Kensington tube station.

### The Lady:

A very bubbly, sociable lady. I'd judge her to be in her 40s.

### The Story:

On arrival it was a pleasure to be made to feel at home by Lauren. I showered and then I was being offered refreshments, tea and fresh strawberries. It was not long before she showed her wantoness for my enlarged member, kneeling in front of me whilst I sitting on her sofa. Much mutual touching followed, as we then sat and watched several porn films. The time came to adjourn to her cosy bedroom where the real action began. We had a lengthy and unhurried session of bliss. Lauren is known as a 'serial swallower', and this theme was central to our grand finale. All good things must come to an end but Lauren will certainly feature on my next tour of duty in London.
