The Lady:

Delicious mixed race size 8. Beautiful natural body. Very pretty smile.

The Story:

Hayley is 19 and a young 19 at that. She is clearly very new to this game and as a result she can be a bit awkward. That said once warmed up she totally changed and became real GFE. She is also very petite where it matters. Made Mr Average here feel a very big boy.

Having seen oggman's report I did not experience anything he found in his report.

Maybe guys she is to be teated kindly and gently and let her get more experience. I am sure she will be OK in the end
