The Premises:

Safe location just yards away from Earls Court tube station.

The place was clean and I felt safe and very welcome.

The Lady:

Danni is a very charming lady, with a beautiful face and a very nice body. A little more weight that her picture would suggest, but definitely not fat, and not a problem for me.

The Story:

This was a first time for me at London retreat and any place of this kind. I didn't know what I wanted apart from a different experience. Danni was very good at putting me at ease and defining a scenario that would fit me.

Without going into too much details, I found the experience of having sex with my eyes bent a fantastic sensation. I really enjoyed the time spent with this lovely lady. Thanks Danni
