Little bit walk from the tube station, modern secured flat with lift, clean bathroom, felt safe. You have to write flat no wid signature but no worries.

### The Lady:

This lady works in different agencies, like hot collection (Anna), barracuda etc. She is the same lady but the photograph are more beautiful, the software again, she wasn't so attractive like her photo. Her figure is fantastic, natural small tits with a perfect bum

### The Story:

This lady is a real whore, instantly gave me a bj (wid cover, I preferred), returned the favour, she was clean and fresh, and then I tried to fuck her in doggy, widin 2/3 mnts I came, its so shame to me and this was first time, may be I was tired. I came on her mouth and breast, also the quantity was too much. She cleaned me first then she cleaned herself, very caring and friendly. After some rest wid apple juice, she offered me, she tried to make me hard again and it worked, she knows magic, now cowgirl, she popped the condom wid her mouth, real fun, then.....oh my God! She was fucking me like anything and I came inside her. What a pussy, In my punting experience this is first time happened to me that widin 40 mnts I came twice, may be something wrong happened to me.

Probably I won't be return but highly recommended, if u don't care about her face, looks 6/10, appartment 8/10, service 9/10, this agency is also very efficient.
