The Lady:

5'4" blonde lithuanian, size8 32b 23yrs old, lovely tan - reallly nice small firm arse, shaven & very pretty (in a horny way)

The Story:

Paris arrived at 10 and with formalities dealt with we began.

I told her I enjoy giving oral sex to arse and pussy, a 69 from heaven (or hades!) followed, paris allowing full access orally to both her tight little holes.

Paris decided to initiate the f*ck and straddled me before watching herself slide me into her (condom on), some slow sex and deep kissing then She rode me like a true rodeo whore until asking if I wanted to go on top.

I suggested she get on all fours and let me eat her arse from behind while I masturbated having availed myself of the daft bit of rubber.

This was excitedly agreed to and I feasted once again whilst donating 3 fingers to her wet pussy. To finish I asked her to lie on her back and masturbate herself while I watched and did the same until my moment of pleasure and Paris got sprayed.
