The Premises:

Building situated off a busy road, Flat nice and clean but small

The Lady:

Slightly better looking than her photos , 5ft 7in tall with a good fit body and lovely legs and a peach arse , but boobs not a D cup more like C (but not firm).

The Story:

Everything Positive Written about this EE girl is true , Excellent DFK , likes to tease , We had a great dance in front of mirror and she is a good mover who knows how to use her body . BBBJ was awesome ,reverse oral where i made her lose total control with her writhing and screaming this was genuine, a wet pussy never lies ! Sex in all positions (without any need for lube), this lady is up for anything , Except A. If you dont believe me find out, you wont be sorry .

Word of advice she likes to try and dominate you but she prefers if you dominate her a little and also DONT spend to much time talking as the meter is running with this one !!
