The Premises:

Nice and discreet hotel in Knightsbridge, though I think she moves around between a selection of hotels.

The Lady:

Very attractive and with her huge heels you don't realise how short she is! Really does look exactly like her photos on Maxes web-site. Fantastic fake tits (pretty difficult to tell!) and a nice tight body. Very clean with tasty pussy (fully shaved) and asshole.

The Story:

Max scores again! Easily the best agency in London. Have had a hell of a week, visiting Lia on Wednesday and Estelle tonight (Friday). As previously mentioned she is in the same league as Lia and Amy in terms of offering a great combination of GFE chemistry and chat, with serious PSE raunchiness. Met at a very nice and discreet Knightsbridge hotel. Had planned on taking a shower straight away, but she insisted on sucking my balls out through the end of my cock! It's all a bit of a blur now, but definitely remember unbelievably deep throat (possibly the best I've ever had, which is saying something), a terrifically tasty pussy, her coming from a combination of my tongue and fingers, fucking her seriously hard from behind in the pussy and in the ass (which made her come again), her loving to be talked to in pure filth and then coming all over her face. She wore this for the rest of the session, which was fantastically filthy and right up my street. Didn't take long for her to have me right back up to attention and ready for more. Fucked her face some more (she takes this better than anyone else I've seen, with the possible exception of Sam in High Wycombe, seems to really enjoy it actually!) before making great use of the chair in the room. She straddled me and bobbed up and down on my cock, before we turned around and she squeezed herself onto the chair on her knees with her ass gaping up and me, begging to fuck her as hard as possible in both holes, which I proceeded to do, getting a great hold on her hips for leverage and really banging her like there was no tomorrow. She loved it! This woman loves to be slammed as hard as possible. We then moved back to the bed where I fucked her tits and face while I faced the huge mirror and enjoyed the sight of my hand pushing her face deeper onto my cock until I came hard again and she swallowed it all! Then had a nice long shower together and chilled out with the champagne I'd brought. A great way to spend an hour and a half.

Estelle is a fantastic fuck, great fun to chat with in between the action and a fabulously dirty, raunchy woman. Can't wait to see her again, possibly together with Lia or Amy, both of whom she likes doing two-girl visits with. Found myself wondering where she'd been all my life!
