The Story:

Well it all started off on the wrong foot. I had phoned to ask if I needed to book and through a misunderstanding I didn't bother to book. So when I arrived there was only one room free and that was the downstairs one. This room is (barely) big enough to swing a cat in and has no facilities. I really like to have a shower beforehand - I think its only polite to do so. However Crystal said she didn't mind and I could clean myself up with some wet wipes so I reluctantly accepted. Wrong decision for me as after this start I never really felt comfortable.

Crystal gives a thoroughly professional PSE if that's what you like the problem was on the day I didn't. I paid extra for RO, OWO and (a first for me) facial. As I said everything was very professionally done so I would recommend Crystal but wouldn't visit again because I don't think I'd click next time after having this experience
