The Premises:

My place - and yes, it was clean!

The Lady:

Model figure - 5'8" or so (difficult to tell - she kept her heels on in bed too!) Amazing body, gorgeous eyes, beautiful features, stunning presence. African origin - beautiful!

The Story:

Exquisite girl, arrived looking like she was out to a major social event - smart and sexy. Delightful company, had a drink and a chat before retiring to my bedroom. If we had met under different circumstances we would probably have ended up in bed also - this lady made me feel completely at ease - she is a treasure!
At no point did this feel like a punt, this young lady and I were going to have a lot of fun together - whatever the circumstances!
I wanted to pull up the duvet afterwards and wake up with her in the morning!
