### The Premises:

See posts for Lady Marmalade. Smart clean safe flat.

### The Lady:

Robyn is an outrageous blond bombshell who totters about on huge clear plastic pole dancer heels. She has a spectacular chest and a very dirty laugh and very sexy eyes.

I find her very funny and like the way she takes the Mickey and has a laugh with fellow punters.

### The Story:

She does a superb owo, but the best session was when I invited her to join me in the shower. We got all nicely lathered up and after expert manipulation of my cock and balls on her soapy tits she crouched down and invited me to come over her beautiful face. Wow,

Dear God when I die can you please let this be the last thing I see.

Fantastic
