The Lady:

Dark haired, 5ft 10ins tall, well built body with natural 36c tits and long legs.

The Story:

I rang Macy at VIP to check who was working that day. Bailey was the only girl that day and after speaking to Macy, I decided I had to check this lady out. I was welcomed by Macy and sat down for a chat after being offered a drink. Bailey finished with her appointment and I was shown to the front room and then had a refreshing shower.

Bailey came into the room as I was getting dried and was wearing a lovely pink almost Japanese style top, matching bra & thong and my favourite hold up stockings.

I lay down on my front and Bailey set about the massage. She has the lightest touch and ran her fingertips from my neck down to my feet. She then ran her tongue up my spine, kissing my neck, then opened my legs and licked my balls and played with my arse. Apparently she does a prostate massage for ?10 extra, maybe next time.

I rolled onto my back and told Bailey that I liked my nipples licked and sucked which she proceeded to do. Oh my god, it was heaven! It was then on with the condom and she gave me a wonderful blowjob. She gives nice little licks and sucks and takes it a bit deeper while those gorgeous eyes look at you. I knew I wouldn't last too long so it was my turn to taste that lovely shaven pussy. I licked up her thighs, across her stomach and sampled the delights of her breasts and nipples. Then it was down to her lovely tasty pussy and clit. I stuck 2 fingers in and was massaging her G spot which she was really enjoying. Bailey was not too far from coming, as I was so she asked me to get my cock into her pussy. I put my cock in but didn't thrust while she was rubbing her clit faster and faster. I could feel myself starting to come so I gave her about 8 long deep thrusts and we both came together. I pulled out and Bailey asked whether I'd been saving my spunk up as there was quite a bit in the condom.

We had a chat while getting dressed and my legs felt like jelly!

Guys, you've got to see this lady. She is chatty, friendly and one gorgeous creature. I'm hooked!
