The Premises:

Private house facing a reasonably busy road, but never felt intimidated when entering. House itself is lovely and clean.

The Lady:

A beautiful lady, about 5'9", about a size 16 with lovely curves in all the right places. Shoulder length auburn hair, a fantastic smile and eyes to die for.

The Story:

Tara met me at the door wearing a black teddy and stockings. She looked delectable. I was welcomed with a passionate kiss and offered a drink. We sat down and chatted while she carressed me. Things from there seemed to move on naturally as it should with any GFE.

We went upstairs where she treated me to absolutely fantastic OWO with plenty of kissing and cuddling inbetween. I shan't go into detail about the rest, but I left feeling special and on top of the world. A shower was offered and another drink before being given a passionate kiss goodbye.

Overall an absolutely A1 GFE. Treat her well. Tara is a very special lady.
