The Story:

I have seen Erica several times before she went on her sabbatical. I can't understand why she has so little feedback. She is every man's dream. Beautiful, attentive and responsive. She makes you feel like you are the only man alive. The perfect GFE. Felicity is a stunner and very raunchy who will break many hearts and set pulses racing. She compliments Erica perfectly. The time flew by because we talked about common interests in between physical action, which I can assure you could not have been better. I wish I had booked them both for an overnight, I hope that will happen soon. If I were 20 years younger I would marry Erica tomorrow if she would have me. Gentlemen, if you want a treat and to be treated properly, book these ladies quickly before I get Eric down the aisle.
