The Premises:

Easy street parking and Demi gave me directions to find the flat. Clean and tidy adult dvd player in the bedroom but didn't watch it coz Demi was more attractive

The Lady:

Slim, tanned with beautiful bum, boobs and nipples. The website photos and description are accurate.

The Story:

Friendly welcome and I stripped off while Demi got herself ready

No massage at my request so Demi stripped off and came to lie next to me whilst stroking and cuddling. Demi was clear that she would kiss but no deep kissing and this was fine as it was very sensual. More cuddles strokes and sucking on her lovely nips. Demi lay there with her legs wide apart, what a sight! Beautiful shaved with the tiniest patch of hair that just had to be licked. Demi received oral with pleasure and after about 10 mins came big style. Next some oral with and then 69 that with her pussy on top of me was unbelievable. It got to much so Demi then sat on top and bounced energetically on top with her boobs bouncing nicely in rhythm. The sight and feeling was too much and I had to let go.

Happy to chat with no feeling of being rushed while Demi sat on the bed still naked.
