The Story:

Bowled over when I walked in and saw her in little black dress and gold high heels (which stayed on for the duration). After shower peeled that gorgeous petite, tanned, firm, shaven body out of that dress (no underwear at all). She went straight down on me (covered) and gave me reasonable head. Then 69 - tasted great. Took her doggy and mish until I could hold on no more, ripped off the chap and blasted a phat load all over her, and literally over her! This is where it all went Pete Tong. She went nuts that I had spunked all over her, doesn't speak a lick of English and had a seriously moody Russian attitude. Big turn off. She went to clean up as I lay there thinking 'what the fuck?'. I was determined to get my hour's worth and when she'd settled down a bit she returned to the bed and administered more head. Proceeded to fuck her standing up from behind until I was spent. No DFK or CIM and a rubbish attitude. Gorgeous but way better times out there - avoid!
