The Lady:

Laura was described on the website as being 5'9, 34D and with long dark hair. Her description was spot on and she was also facially very pretty. There are now pictures on the website but Laura is quite new and hers are not yet there!!

The Story:

Laura arrived within 15 minutes of me arranging the booking which was great as I had an early start the next day. Laura was exactly as described and she is a total stunner. Great figure - very tall at 5'9 with a great bust and probably one of the most facially attractive girls I have met.

Following a glass of wine and a nice chat we got down to business and had a very relaxing, passionate, erotic time. Laura really does do the GFE very well and I was more than pleased with my choice.

Many thanks to Jane for another good choice. I am told Laura's pictures will be on the web site soon which I look forward to with relish.
