The Premises:

City Girls apartment - clean, easy to find in the centre of MK.

The Lady:

Photos on the www.city-girls.co.uk website are very good, but I think she's better in person. Dark straight hair, cute, curvy (but not fat), lovely firm tits. Probably about 20-22, 5' 4"ish.

The Story:

Great punt, put my faith back in British girls! Really good GFE.

Started kissing as soon as I got in (not French though). I started getting a BJ and got into a 69, she really thrust herself into me and ask me to just carry on licking her, when she was about to come, demanded I fuck her in her favorite position (side-on) and she screamed like a banshee!

I finished off in a few different positions, filled the full 30 mins.

Really enjoyed, still getting hard at the thought !
