The Story:

Star arrived having texted to say she was on her way. Relaxed and sorted. we had a chat over a glass and she dissapered to the bathroom. and then reappeared with the full set on!- hair extensions, body work. and attitude.

So many ladies go through the motions, Star does the job as an old friend with a real proffesional approach. I am so glad that after many years of playing that at last I have met a true star.

I'm a committed Star gazer
